

Brooder Lamp Stand

Assembly Instructions

Parts List:

- Qty 1 Lamp Stand Base
- Qty 1 29" Riser Pole
- Qty 1 12" Pole with Hanger
- Qty 1 14" Chain

Step 1: Remove both screws (2 total) from Lamp Stand Base and Pole with Hanger.

Step 2: Insert Riser Pole in Lamp Stand Base and insert screw back into Lamp Stand Base until Riser Pole cannot be pulled from the base.

Step 3: Slide Pole with Hanger onto Riser Pole with hanger facing down. Insert screw back into Pole with Hanger until pole cannot be pulled off Riser Pole.

Step 4: Hang brooder lamp from Chain at desired height, and then wrap cord around Pole with Hanger and Riser Pole, as shown below.

Caution: Do not hang anything on the Brooder Lamp Stand other than the brooder lamp pictured below. Excessive weight hung from stand may cause it to fall.
